## FLO-ETRY

### Vital Natural Serum

Rich-oil blend moisturizes strands from root to tip for instantly plump, plush, juicy curls. No weight or greasy feel!

# COLOR WOW

#### HOW TO USE

Apply to wet hair. Working section by section, use fingers or a comb to distribute evenly, throughout lengths.

#### WHY IT'S WOW

New “Naked Technology” feels like nothing’s on the hair! Instantly moisturizes and plumps dehydrated curls (that are inherently dry because natural oils from the scalp can’t easily flow down the bends and twists of curly strands) Our proprietary Profaxil-18 Complex™ breaks up Jojoba, Pequi, and Coconut Oils’ large particles to micro-disperse these rich oils throughout hair strands, from lengths to ends for weightless, non-oily results Instantly delivers super hydrated, juicy, healthy-looking curls....defrizzed and glossy, never greasy
